How did the Fund perform during the reporting period?

The Fund was positioned well this past year for the market's perception that interest rates would eventually decline as the Financials sector represented the largest contribution to the YOY return with almost 30%.

Next, an eclectic group of stocks such as General Motors, International Flavors & Fragrances, defense company L3Harris Technologies, Specialty Pharma Company Viatrix, Walt Disney, Acuity Brands, and eBay made up about 20% of the total return.

Three semiconductor stocks considered beneficiaries of the AI revolution had phenomenal returns and added a full 15% to the FY return and the Energy sector came out to about 12%.

How has the Fund performed over the last ten years?
